FORWARDING CERTIFICATE

This is to certify that **Your Name** has carried out the project in the Department of Pure and Applied Physics, Guru Ghasidas Vishwavidyalaya, Bilaspur (C.G.) on the topic “**Thesis Title**”. The project is submitted for the partial fulfillment of the requirements of the degree of **Master of Science in Physics** and is forwarded to the examiner for evaluation. I wish him/her every success in life.

ACKNOWLEDGEMENT

I take great pleasure in submitting this project report entitled “**Thesis Title**” in partial fulfillment of the Master of Science degree. While submitting this report, I would like to take this opportunity to express my sincere thanks to all those who have directly or indirectly contributed to this project. Without their active cooperation and guidance, it would have been difficult to complete this work on time.

I would like to express my heartfelt gratitude to my guide, **Guide Name** (Assistant Professor, Department of Pure and Applied Physics), for his valuable guidance, encouragement, and continuous support throughout the course of this project.

I am also deeply thankful to **Dean Name** (Dean, School of Physical Sciences, GGV), **HOD Name** (Head of the Department, Department of Pure and Applied Physics, GGV), and all the faculty members for their constant support and motivation during my project work.

I extend my special thanks to research scholar **Guide Name2** for his guidance from the initial stage of the project and for offering several valuable suggestions that helped me understand the task better.

Finally, and most importantly, I would like to express my profound gratitude to my mother for her unwavering support, love, and encouragement throughout this journey.
